

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are the same as stated below next to my name.

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled:-

Laser Level Assembly

the specification of which

was filed as PCT International application No. PCT/AU99/00714 on 2nd September 1999

I hereby state that we have reviewed and understand the contents of the above identified specification.

I acknowledge the duty to disclose information known to me to be material to the examination of this application in accordance with Title 37, Code of Federal Regulations, \$1.56(a).

I hereby claim foreign priority benefits under Title 35, United States Code, S119 of any foreign application for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the applicant on which priority is claimed.

I hereby claim the benefit under Title 35, United States Code, S120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, S112, I acknowledge the duty to disclose all information known to me to be material to patentability as defined in Title 37. Code of
